Convenors and Coaches

- For the first full season return since the pandemic, I am extremely grateful to the volunteer parents, coaches, and convenors. This season would not have been able to move forward without the dedicated parents, who commit their time to developing young baseball players and athletes.
- As in each year prior, finding coaches was extremely challenging. The HHMBA Board has a renewed commitment to our volunteer coaches and have taken steps to identify, train and support any parent or volunteer willing to commit their time to the league.
- Thank you to my convenors, whose willingness to assist made the season operate more smoothly. 5U convenors Sabrina Corbet and Amanda Nugent and 9U convenors Holly Esteireiro and Priscilla Moore were instrumental with respect to this season. *A special word of Thanks to Priscilla for her support during both 9U baseball tournaments this past summer*

7U Development Team

- The 2022 Season saw the return of the 7U Development Team (formerly Super 7s) and they had a fantastic season under head coach Brian Moore
- Congratulations to the entire team on a great season and best of luck to Coach Moore and for those players moving on to our rep program!
- We hope to continue to offer this program as an up-tempo House League team focusing on player development in 2023.

Director's Report – Sr Eagles House League

D'Arcy Carr

 - 1) Voting position on the Executive
 - 2) Manages the House league portion of Senior Baseball. Included levels are U11, U13, U15 and U18
 - 3) Responsible for recruiting and managing division conveners and coaches for these older teams.
 - 4) League rep for the U15 and U18 loops with Milton

- Number of Teams per Division
 - 11U - 4
 - 13U - 4
 - 15U – 6 Loop play with Milton
 - 18U – 4 Loop play with Milton

Director's Report – Junior Travel

Jeremy Brown

- This year we had 9 Eagles teams competing at various age levels (8U - 12U) which covers players born between the years of 2010-2014
 - 8U Tier 1 – Geoff Bahr
 - 9U Tier 1 – Bhavin Gandhi
 - 8U/9U Coba Select – Kenny Boreham
 - 10U Tier 1 – Mike Cunningham
 - 10U/11U Coba Select – Brian Kelly
 - 11U Tier 1 - Rob Ramalho
 - 12U Tier 1 - Keith Bellchamber
 - 12U Tier 2 - Richard Kuypers
 - 12U / 13U Coba Select – James Bonney
- This was our first year since COVID with no season interruptions competing in various divisions
- There were a lot of successful teams this year winning various tournaments, winning COBA playdowns and competing in September
- We had the 13U team mentor and help out the 8U

team this year for a practice and both teams raved about the experience with the 8U team benefiting in learning and just seeing how its done by athletes not many years older than they were.

- We held tryouts in the fall and have increased the number of teams in this age group by 1 (10U Tier 2 was added). We also added a 2nd tier team for the 2011 age group for the first time
- With a lot of hard work and more players signing up, interest in the league has expanded
- We realize that adding teams late creates some complications as it relates to tryouts and we are looking to optimize this process for next year

Code of Conduct Reminder

HHMBA has Codes of Conduct for Coaches, Players, Parents and Spectators. Foul language or taunting at any level by the players, parents, Head Coaches, or coaches will not be tolerated. Any spectator, player, Head Coach or coach that is warned is subject to being ejected from the premises and banned from the complex for additional games and ultimately removal from the HHMBA.

These Codes of Conduct apply to all players, both House League and Travel, their parents, coaches and spectators at all games, practices and other HHMBA events.

**If everyone acts within the guidelines of the Codes of Conduct
a fun and memorable experience will be had by all**

Director's Report – Senior Travel

Scott Stubberfield

For the 2022 season the Halton Hills Eagles Senior travel we had 13U (Major Peewee) to 22U (Junior) level

- 13U Tier 1 - Aaron Furger / 13U Tier 2 - Ryan Paquin
- 14U Tier 1 – Andrew King / 14U Tier 2 – Dave Pfohl
- 15U Elite – Cory Latimer / 15U Tier 1 – Kevin Bowie / 14U/15U Coba Select – Dennis Jordan
- 16U Elite – Wayne Peddie / 16U Tier 1 – Scott Stubberfield
- 18U Team 1 – Chris Emary / 18U Team 2 – Ross Baker
- 22U Team 1 – Paul Alves / 22U Teams 2 – Doug Crawford

We had many strong teams again this year, winning tournaments and competing deep into OBA championship runs

We made the difficult decision not to run Elite teams in 2023 due to a lack of coaching candidates (EBLO requires two age groups unless the single age group is 15U)

Thanks to Neale Bradley and Kevin Bowie for all their hard work in getting the batting cage operational again

Coaches Peter Meth, Randy Barrett and Jeff Gowland have stepped in as new head coaches for this season. We appreciate them putting their hands up and taking on new teams.

Director's Report – IT

Scott Stubberfield

- For the 2022 season the IT Director assisted with the setup and configuration of tryout, rep and house league registration as well as updates to our HHMBA website and Facebook pages
- Working closely with our director of communications Cathy Wilson we transferred many of the duties to Cathy and greatly appreciate her willingness to step in, learn and support the association
- Setup a new booking system for the batting cage that was enjoyed by many Rep and HL teams during the season (this will transition to our new website registration system in 2023)
- At the end of the 2022 season we transitioned our website (hhmba.ca) and registration system to a new hosting provider
- We believe there are many benefits to this change including a visual and functional refresh to our website but more importantly improvements around registration and the ability to better integrate game scheduling with our umpire assignments

Director's Report – Logistics & Planning

Natalie Currah

Baseball finally seemed normal this summer.

We were able to start playing our seasons for rep in the beginning of May and for House League back to our May long weekend starts. We had 27 elite kids, 259 rep kids and 501 House league kids participate this year. Which allowed us to run games at all levels. This year we also went back to playing with Milton in HL at our older level age groups. This allowed the kids to have more games and play different teams.

Our House league teams were able to get in 11 to 12 games with the same number of practices with their schedule be complete as of the second weekend in August. Our Rep teams and Elite teams played in COBA and the EBLO. Each team was given 2 practices a week and had at least 1 game scheduled per week. TSP and Fairgrounds were utilized all days and timeslots of the week. We will continue to work with the town to see improvements in current diamonds and work with the town to ensure batting cages and bathrooms are placed at TSP.

Thank you to all coaches, umpires, parents, and player who were patient as we got back to playing a normal year of ball while still mourning the loss of a key executive member. We ask that if able please come forward and assist in anyway possible way to ensure that the league can continue to thrive and move forward.

We are looking forward to a competitive 2023 season.

Yours in baseball,

Natalie Currah

Director's Report – Umpires

Gary Dias

Huge thanks to all of this years umpires for completing all the house league and travel games during the season, everyone chipped in where needed

Umpires also worked 2 weekend long house league tournaments and the 11U COBA qualifier that welcome 50+ 11U rep team to Halton Hills over a weekend

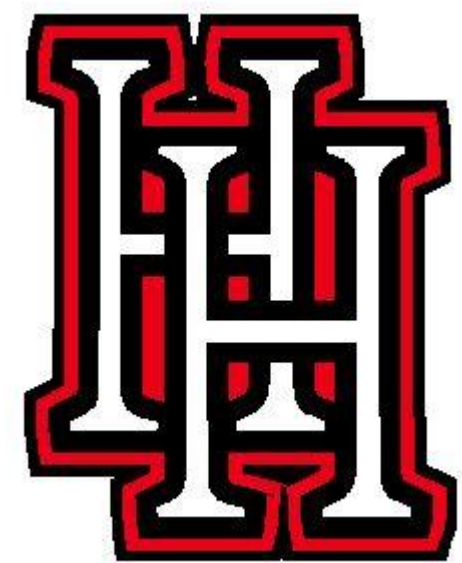

We are continuing to work with our younger umpires to get them more experience and enhance their ability to ump older and more games

Thank you to all coaches, umpires and parent who were patient in a year where we were still not back to normal, and we lost a key person within our league.

We are looking forward to a competitive 2023 season.

Yours in baseball,

Gary Dias

DEE DEE HAYNES-RIDLEY VOLUNTEER OF THE YEAR

2022

DEE DEE WAS A LONG STANDING MEMBER OF THE HMBA FAMILY AND TIRELESSLY SERVED HER COMMUNITY FOR MANY YEARS. SHE LAST SERVED AS DIRECTOR OF UMPIRES AND THE DIRECTOR OF COMMUNICATIONS AND COMMUNITY RELATIONS. HER PASSION FOR THIS COMMUNITY AND THE FAMILIES THAT LIVE IN IT SHOWED UP EACH AND EVERY DAY. SHE ALWAYS MADE SURE TO GO THE EXTRA MILE TO MAKE A PLAYER FEEL SPECIAL AND WAS OUR LEAGUE'S AMBASSADOR WITH OUR SPONSORS. DEE DEE WAS THE GLUE THAT HELD OUR EXECUTIVE TEAMS TOGETHER, THE DRIVING FORCE BEHIND COUNTLESS EVENTS, TOURNAMENTS AND MORE. THERE WAS NEVER ANY TASK SHE WOULDN'T JUMP INTO HELP WITH, NO PERSON SHE WOULDN'T LEND A HAND TO AND NO PLACE SHE WOULD RATHER BE THAN A BALL DIAMOND ON A SUMMER EVENING.

HER IMPACT WILL NEVER BE FORGOTTEN TO ANYBODY WHO HAS BEEN AFFILIATED IN ANY WAY WITH MINOR BASEBALL IN HALTON HILLS OVER THE PAST 20 PLUS YEARS, AND THIS WAS ONLY ONE AREA WHERE SHE GAVE HER TIME AND ENERGY FREELY.

MINOR BASEBALL

NEALE BRADLEY

Neale has been supporting the HMBA for the past 3+ seasons in many different roles. Most recently you would have seen him in his red F-150 delivering clay, chalk, hammers and dig out tools to the diamonds are kids play on every day. If it weren't for Neale there would be no games. Also, Neale spear headed a complete revamp of our uniforms for 2022 for both house league and travel plus had time to set up multiple swag stores and completely rebuild the batting cage.

I think we can all understand why Neale won this year.

As the winner of the Dee Dee Haynes-Ridely volunteer of the year Gina will get to choose the charity that will receive a \$250 donation from the HMBA

STEVE MARSHALL MEMORIAL AWARD

84/90 EAGLES
MOST IMPROVED PLAYER

The background features a large, semi-transparent logo of the Halton Hills Eagles. The logo depicts an eagle with its wings spread, perched on a baseball bat. The words "HALTON HILLS" are written in a large, serif font across the middle of the eagle's body, and "EAGLES" is written in a similar font below it. The entire logo is rendered in a light red/pink color with a white outline.

STEVIE MARSHALL LOVED PLAYING BASEBALL. GROWING UP SHE WAS A FORCE TO BE RECKONED WITH ON THE DIAMONDS AND AS AN ADULT SHE PASSED HER LOVE OF THE GAME ON THROUGH COACHING IN THE ROOKIEBALL DIVISION OF THE GBA.

UNFORTUNATELY, STEVIE PASSED AWAY AFTER A VALIANT BATTLE WITH CANCER.

THE EAGLES ASSOCIATION WANTED STEVIE'S MEMORY TO CONTINUE AND EACH YEAR WE PRESENT THE STEVIE MARSHALL AWARD TO THE 8U/9U (ROOKIEBALL) PLAYER, WHO IN THE EYES OF THEIR COACHES IMPROVED FROM THE BEGINNING OF THE SEASON THROUGH THE END.

MINOR BASEBALL

8U EAGLES

When this player started out he was very green in experience and mechanically. He has since turned into one of our key contributors in the field defensively. He does not shy away from hard hit balls, tracks down fly balls, can play a one-hop and come up throwing with the best of them! Offensively he recognizes he has room for improvement and will often come to me asking "coach Geoff can you please help me with my swing?" This willingness to learn has seen his at bats be more productive and well improved. He is quite the speedster on base paths as well.

As you all know defence wins games and this player's defensive skill set gives us a lot of options when setting lineups. His desire to learn and improve with the game of baseball makes him a pleasure to coach. He's a great teammate and will start many of our cheers on the bench. The Dogg has fully embraced Eagles rep baseball and given his competitiveness has potential to be a heck of a ball player for Eagles nation in the years to come!

This player has the passion to play the game and enjoys playing the game. He was very good at catching, throwing and batting early on. During the year his dedication, ability to listen to the coaches and practicing to out-do his own abilities has helped him improve leaps and bounds and turned him into one of the key players of the team. His awareness of the game, willingness to play at various positions and never give up attitude has helped him improve in every aspect of the game. I have enjoyed coaching him and I definitely see him becoming one of the key players of the team in the future.
